

Bespoke Courses

We have created a number of bespoke courses to suit the needs of those commissioning the work. Examples of bespoke courses includes (but not limited to):

- Breaking bad or sensitive news
- Difficult conversations with colleagues
- Being compassionate carers
- Communication skills training for call handlers in the NHS
- Motivational Interviewing
- Dealing with anger

Please feel free to contact us to discuss your needs.

We are also happy to deliver sessions in conference symposiums.
